**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need to allow for competition by multiple companies to allow for better pricing, better service, and overall better practices. I have fiber today with a small company, and it has been the best experience I have ever had with an internet provider. And it is a better price than the big companies offer.

We need to allow for the smaller companies to be able to compete.
